

Do-de-lally

SONG

Enlist chorus members or another group of students to record the song to play on a boom box for the bus drivers as they are pulling up to the school on Bus Driver Day.
Have A-Team members or other students sing along.

Every morning we can see you drivin' and a smilin'
Pullin' up that yellow bus and waiting just for me
Playin' songs and mornin' talkin' havin' such a safe ride
Oo-de-lally, oo-de-lally, golly, what a day.

Every day you're makin' sure you take us to our school
On time and safely, thru every street
Every day we count on you, no matter what the weather's like
or traffic, you just won't let us down.

Every morning we can see you drivin' and a smilin'
Pullin' up that yellow bus and waiting just for me
Playin' songs and mornin' talkin' havin' such a safe ride
Oo-de-lally, oo-de-lally, golly, what a day.

WORKING ALL THE TIME SONG

Action

Arrive at the school
You're checkin' every system
Roamin' around sometimes you're in the kitchen
You work so hard to make sure things look fine.
You always smile
When you see us comin'
We're so glad you're here every day working all the time

Working all the time
That's how you make your living
And you always try
You're always helping and a givin'
So we pause today
cause we want to give you credit
The thanks we have for you is real
We hope you really get it!

Working all the time
You cleaning, mopping, sweeping
You make our floors shine
Yes, our school you're always keeping
Looking oh so fine
You're always working, always helping
You know this school can't really run without you

The Royals Song

Action

My friends and I----want you to know
We get how you are far superior to all others
And everyone who knows us knows that we trust you
We're just here to say thank you.

But every day's like, "Hi there, what's up," you greet us all at daybreak
Class time, lunch room, steppin' through the hallway
We know you care...It seems you are always there
You make us believe, and think we can do our very best yeah
Lighting up the place, smiling, watching, making sure we're all safe
Thank you, thank you, we give you a smiley face
We know you care....yes you really care

And you'll always be royal (royal)
It's surely running in your blood
You're really fine and excellent
You're best at making our school fun
You know how much we like you (like you)
You're the best that there can be
And you lead this school, this school, this school
Our principal is more than we ever dreamed

SHE WAS AMAZED TO DISCOVER
THAT WHEN HE WAS SAYING

YOU'RE A GREAT TEACHER

REWRITTEN LYRICS

You're working both day and night
You're really devoted type
Each day is new, lessons we've never heard before
Helping and smiling
Ooh, you're ready for you when you're walking thru that door.

So many kids get to see
All the things we're learning for free
We know you're great, and somebody should make you a star
Teaching and training
Cause your heart's in the game
And we're all gonna go so far.

Oh here you come
We all know you lift us up
Oh here you come
You're a great teacher!
Oh here you come
We all know you lift us up
Oh here you come
You're a great teacher!

We are so lucky that you choose to come our way.
Your job's a must, you're upper crust.
You make our day.

You help us make it through the entire year.
When it hasn't been our day, our week, our month
Or even our year, but

You'll be there for us,
Our Support Staff.
You'll be there for us,
Our Support Staff.
You'll be there for us,
And we all thank you.

You know just what we need and we don't have to wait.
You always lend a hand, so far, things are going great.

Thanks for the many things you always do
And we want to tell you that our school's better
Because we have you.

You'll be there for us,
Our Support Staff.
You'll be there for us,
Our Support Staff.
You'll be there for us,
And we all thank you.
