

# G-FORCE

**G STANDS FOR GRATITUDE**

## **4 STEPS TO GET YOUR G-FORCE STARTED:**

1. Collect the names and contact information of 2 students appointed by each homeroom teacher (or equivalent) to serve as G-Force members.
2. Divide your G-Force members by classes into 7 different groups (chart is available).
3. Post assigned groups for students in an easily accessible place for them to see (or on google classroom).
4. Hold an informational meeting with your G-force members to explain the responsibilities of their position (as soon as possible). Click [here](#) for the responsibilities.
5. Hold short monthly meetings with your G-Force students (Utrust will provide a suggested agenda with activities).

## **HELPFUL TOOLS:**

1. **Google Classroom:** Utrust has a Google Classroom you can duplicate very easily to help you effectively communicate with your G-Force students,. You can communicate the monthly mission and encourage your G-Force members along the way.
2. **INCENTIVE program for students:** Any G-Force member who makes six or more appreciation contacts during a semester and logs that info, will be entered to win one of five \$100 cash prizes awarded each semester.
3. **EXPERT ADVICE:** Email Amy Lafayette at [alafayette@ustrust.org](mailto:alafayette@ustrust.org) to get on her contact list. You will get monthly communications you can share with your G-Force members through Google Classroom (or some other communication vehicle you have in place) to encourage them and remind them of their assigned mission.
4. **PRINTABLE CERTIFICATES:** At the end of the year, recognize your G-Force students in the school yearbook and present each student with a Leadership Award certificate during Awards Day. Downloadable template available on [www.ustrust.org](http://www.ustrust.org).

**ONCE YOU HAVE YOUR G-FORCE PROGRAM UP AND RUNNING,  
IT WILL REQUIRE LITTLE EFFORT TO MAKE  
A BIG DIFFERENCE IN YOUR SCHOOL.**
